

Americanism Report for Annual Meeting of MDSSAR, 12 June 2021

It has been a quiet couple of months since the Annual Meeting.

2020 Americanism Score Sheets

I've received word that the final results are in and will be published officially after Congress. Unofficially, the overall numbers of participating chapters dropped slightly. I'll have a more complete summary before the Semi-Annual Meeting in October.

2021 Americanism Score Sheet

I have continued putting out a monthly e-mail to all the chapters to explain how to use the new Score Sheet. As there are 12 tabs, I am working on one tab each month. The April topic was on Grave Markings and Patriot Records (Tab 7); in May it was Historic Sites and Celebrations. The one I plan on releasing in June will be on DAR-CAR Support (Tab 3).

Respectfully Submitted,
